Greetings From the Fair Board:

Welcome to the 112th edition of the Roseau County Fair. The fair continues to grow and improve with each year. As a board we believe our fair is one of the best county fairs in the state.

Lucinda (Wiskow) Grass retired from the fair board this spring. Lucinda has done a great job organizing the children's barn over past number of years. We would like to thank Lucinda for all her work making the fair a great event. Fred Demolee was appointed to fill out Lucinda's term on the fair board. Fred and his family are long time exhibitors at the fair and he is excited to organize the children's barn exhibit. We are excited for the future of the fair, new board members brings new energy and ideas.

We have a full line up planned for the grandstand, starting with Church Night at the fair on Sunday July 15th, put on by the Roseau area ministerial association. Tuesday night will feature the local singing groups the Overtones and The Back Behind the Barn Boys. Wednesday night is the always crowd pleasing Wojo's Rodeo with a full rodeo. Thursday is the fourth year of Bush car races that keeps growing in both drivers and spectators. Friday is the fan favorite demolition derby.

Our children's entertainment will include the popular kiddy's pedal tractor pull, the soybean play area in the permanent shelter and the Famous LA pig races are returning. The power wheels derby will have qualifying rounds on Wednesday, Thursday and finals before the demolition derby in front of the grandstand. All Things Wild Zoological Parks will bring their white tiger exhibit to the fair. The exhibit features rare white tigers and allows spectators to feed the tigers under the zoo keeper's supervision.

Our maintenance workers Mike Dahl and Lloyd Dunham have been busy upgrading buildings on the grounds. We have relined the interior of the old north bathrooms, along with replacing fixtures to give them a fresh new feeling. They have also put new steel siding on the Billberg building. Over the past number we have put steel siding on all the fair buildings to decrease maintenance costs. The Billberg building is final building to get siding and we have two buildings left to put steel on the roofs. We were able to get a grant through the Minnesota Department of Agriculture to pour cement in the poultry building and level the structure out due to frost heaving. This will make for a much improved exhibit area for the poultry and rabbits.

The fair board has adopted the following policy on pets:

Pets are welcome during non-fair time periods provided they are confined or on a leash no longer than 6 feet. With the exception of service animals or animals approved as part of an exhibition, pets are not allowed on the fairgrounds during the Roseau County Fair.

This policy was adopted to lessen problems with barking dogs near the livestock exhibits. This policy is consistent with other county fairs and the Minnesota state fair. Be aware service animals are only dogs or mini horses that are trained to do a specific task for a person with a disability. Service animals are not emotional support animals of any type.

The Fair board is proud of the events we put together for the 2018 fair and we will continue to present the best fair possible for Roseau County residents.

Remember, make fair week, vacation week!

Richard Magnusson
Secretary, Roseau County Fair Board

NO APPOINTMENT NECESSARY

Convenience and Care are two things you'd expect when immediate medical attention is needed. That's why we're so pleased to offer Convenience Care — after hours medical attention for non-emergency situations. Convenience Care is covered by most insurance plans, often with a lower co-pay than an ER visit. Convenience Care is available evenings and weekends to treat all types of conditions, including:

- **persistent coughs**
- **small cuts or lacerations**
- **possible sprains**
- **nausea or diarrhea**
- **cold and flu symptoms**
- **ear aches**
- **fever**
- **sore throats**

5. No 4-H exhibit to compete in Open Livestock Classes unless it is a different animal than that exhibited in the 4-H department.
6. All exhibits not called for within 10 days after the fair will be forfeited to the society.
7. Unauthorized groups on fairgrounds: Section 1.(a) Distribution of advertising, material and matter of any kind, nature or description including specifically, but not exclusively, political campaign cards, dodgers, flyers, political newspapers, hand bills, buttons, pins, caps, banners, display cards, ribbons or any other forms of media of political advertising of any political party or group, by concessionaires, exhibitors, patrons attending annual exhibitions on the Roseau County Fairgrounds, political parties or by any other person or persons whomsoever, shall be and the same hereby is PROHIBITED on the Roseau County Fairgrounds, unless such distribution **shall be within and from the assigned and designated space as shall have first been duly authorized by Governing Board upon application thereto.**
8 Disorderly Conduct (b) (1) Any person or persons who shall make, side countenance or assist in making any noise, riot disturbance or improper divisions, and all persons who shall collect in bodies or crowds on the Roseau County Fair Grounds, for unlawful purposes, or to the annoyance or disturbance of citizens and those attending the Roseau County Fair or lawfully on the County Fairgrounds, shall for each offense, on conviction before a Justice of Peace or Court of competent jurisdiction, be guilty of a misdemeanor, and in addition may be expelled from the County Fairgrounds for such period of time as the Justice of the Peace of Court, or the governing body of the Roseau County Fair may determine.
9. All exhibitors must confine themselves to the articles listed in the different departments, as the entry clerk will not make entries for any exhibit not listed and numbered in the premium list. Anyone who wishes to exhibit a special article will be required to make arrangements and get permission from the Secretary.
10. All badges and ribbons must remain on exhibit until exhibits are removed.
11. Judging: All general Judging will be done on Tuesday & Wednesday, except Open Class Dairy, which will be Judged on Thursday. Elementary, Junior and Senior High School exhibits will be Judged on Friday afternoon, July 13, 2018.
1 2Entries for premiums in the individual lots of grain, field crops, fruits and forage shall not be permitted to appear as part of a collection.
13. No article or animal shall compete for more than one premium except livestock competing in teams or groups. This rule shall not debar sweepstakes or special premiums in competition for which no entry is required.
14. Stock and articles must be entered in the name of the bonafide owners; and grain, vegetables, fruit and dairy products, household arts and culinary articles must have been raised or made by the exhibitor thereof, during the past year.
15. Every article in competition must correspond in number and description with the premium list, and be in its proper class, in order to obtain premiums. No changes or alterations will be permitted after the books are placed in the hands of the judge. All specimens shown must be the property of exhibitor. Fraud in this line, if proven, will debar said specimens from competition.
16. No animal or article shall be assigned a place on the grounds until entry has been made.
17. Each entry tag shall be securely attached to the entry itself, the pen or receptacle in which it is shown.

EXHIBITS

1. Exhibits in the Magnusson Building must be removed Friday evening, between 8 p.m. and 10 p.m.
2. Premiums will not be paid on articles or animals removed from exhibition without the approval of the secretary.
3. Exhibition of articles or livestock not competing for premiums must be arranged for at the secretary's office and will be arranged as far as possible in conformity with the wishes of the exhibitor.
4. Ample accommodations will be provided for all collections. No collection shall be allowed space which is not neatly arranged and fully labeled. A duplication of any collection shall debar the collection from prize money.
5. The association will take every precaution in its power for the preservation of articles and stock on exhibition, but will not be responsible for any loss or damage that may occur in the delivery, exhibition or removal of the exhibits.
6. No article which has received a premium at any previous fair will be eligible for premiums.

AWARDS

1. The awards on the entries shall be designated by ribbons or cards as follows: first premium – blue; second premium – red; and third premium – white.
2. All awards shall be made on the individual merits of the entries.
3. Any interference by the exhibitors to influence or dictate the decision of the judge will be sufficient cause or excluding his or her entry from competition and should be reported to secretary through the superintendent of the division.
4. No appeal from the decision of the awarding committee shall be allowed. Any exhibitor may make protest to the superintendent of the division at the time of the award, who may then require the judge to give reason for such placing.
5. No awarding committee shall give any discretionary premiums. Whenever articles of superior merit are exhibited for which no premiums have been offered, the awarding committee may mark it as "commended" on the book of awards so that the secretary may report the same to the board for action.
6. Premiums will not be awarded to articles or animals of inferior merit although there may not be any competition.
7. Where a sum of premium money shall be paid out pro rata, the apportionment shall be according to the merits of the individual exhibit.
8. Special premiums may be offered by interested persons for entries which conform to the general classification of the Fair Association.
9. **All premium checks are required to be cashed 6 months from date of check** or money will be forfeited back to the Roseau County Ag Society.

MINNESOTA LIVESTOCK EXHIBITION HEALTH REGULATIONS CONCERNING BOVINE TUBERCULOSIS

Effective July 1, 2012, there are no testing or animal movement regulations.

EXHIBITION OF LIVESTOCK AND POULTRY IN MINNESOTA SUMMARY OF STATE RULES

REQUIREMENTS FOR LIVESTOCK AND POULTRY ORIGINATING FROM MINNESOTA MUST MEET MINNESOTA REQUIREMENTS

The exhibition management may adopt more but not less restrictive health requirements than required by state rule.

Livestock or poultry known by the exhibitor to have an infectious communicable disease or to have been exposed to an infectious, communicable disease or to be from a quarantined herd or flock may not be entered in an exhibition. Warts and ringworm are considered communicable diseases. Therefore livestock affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases in not acceptable.

All livestock will be **inspected** by the Official Veterinarian on the opening day of the exhibition and daily during the exhibition. The Official Veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any livestock with symptoms of infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They may not enter a show ring. This includes livestock with warts and ringworm.

All **testing** must be conducted prior to the exhibition and a record of the test results on a test chart or Intrastate Health Certificate must accompany the tested animals. All animals imported into Minnesota for exhibition must be accompanied by a certificate of veterinary inspection and satisfy Board of Animal Health importation requirements.

Livestock and poultry entered in a petting exhibit are not exempt from the exhibition rules if the animals are from more than one farm or there are other animals at the exhibit.

Cattle (originating from Minnesota): Inspection at show.

Goats (originating from Minnesota): Inspection at show.

Dogs: Dogs over three months of age must be accompanied by a current Certificate of Rabies Vaccination issued by a licensed Veterinarian.

Poultry (originating from Minnesota): Poultry, with the exception of pigeons and waterfowl, must be individually identified with a leg or wing band and must have had a negative test for pullorum-typhoid disease conducted within 90 days prior to the opening date of the exhibition or originate directly from parent stock tested and found negative for pullorum-typhoid disease within the last 12 months. In addition, turkeys must be tested negative or originate directly from parent stock that is tested negative for *Salmonella typhimurium, Mycoplasma gallisepticum,* and *Mycoplasma synoviae.* Poultry must be accompanied by a testing or origination certificate approved by the Board.

Sheep & Goats (originating from Minnesota): All sheep and goats, including wethers, must be identified with official identification approved for use in the Scrapie eradication program. Official identification includes USDA Scrapie identification tags and tattoos approved by the Board of Animal Health. Sheep and goats within 30 days of giving birth (before or after) cannot be exhibited without prior approval from the Board of Animal Health.

Horses - All horses must be negative to an official test for Equine Infectious Anemia (EIA) within 12 months prior to the opening date of the exhibition. Proof of test must be presented to Division Supervisor upon entrance to grounds. A test is not required for suckling foals accompanying a negative dam.

Swine - Swine must be individually identified and must: (1) have had a negative official pseudorabies test conducted within 30 days prior to the opening date of the exhibition; or (2) originate directly from a qualified pseudorabies-negative herd; or (3) originate directly from a Stage IV or V county area.

REQUIREMENTS FOR LIVESTOCK AND POULTRY ORIGINATING FROM STATES OTHER THAN MINNESOTA

Cattle, horse, sheep, goats and poultry: Animals must meet the Minnesota Importation requirements in addition to the requirements outlined in this summary. Health Certificates must list the Minnesota Exhibition as consignee and will be accepted if examination and test are conducted within 90 days prior to the exhibition.

Slaughter Classes (Terminal Shows): No health certificates, tests are individual identification is needed if animals are isolated in a separate building from all other classes and all animals are slaughtered during or immediately following the exhibition.

KIDS PEDAL TRACTOR PULL

Thursday, July 19th at 12:00 p.m.

Registration at 11:00 a.m. **SPONSORED BY: GREENBUSH-BADGER LIONS**

The ever popular Pedal Tractor Pull will be held Thursday, July 19th, with registration beginning at 11:00 a.m. in the soybean area and the pull starting at 12:00 p.m. There are competitive pulls for ages 4-12. The pull usually starts with the youngest group first and continues with each age group until we complete the 12-year olds. There are plaques awarded to the 1st, 2nd, and 3rd place in each age group.

This is a state sanctioned event, which allows the top three finishers in each age group to compete at the state level if they so choose. Those who place at the state level can advance to the National Pull.

DIVISION B - CATTLE & GOATS

Supervisor - Thor Didrikson 701-212-3582

Entered Monday - Judged: **Beef on Wednesday, Dairy on Thursday**

1. No entry fee.
2. For explanation of health regulations governing exhibition of livestock, see pages 6 & 7.
3. Proof of registry must be shown.
4. **Each exhibitor can make only one entry in each lot.**
5. Exhibitors of herd bulls should lead them with a regular bull lead or staff.
6. The exhibit of cattle will enhance its value if a placard is placed by the exhibit at the head of the stall indicating ownership and breed type.
7. Give herdsmanship trophy to family with best exhibition dairy and beef.

Criteria:

A. Neat, clean aisle.
B. Neat signage at exhibit.
C. Clean, well-kept animals.
D. Bedding kept neat, clean, within stall or pen and not excessive.
E. Tastefully decorated stall or pen area.

8. Hay and straw must be provided by exhibitor.
9. Cow/calf exhibit requirements:

A. Limit 2 pens per family
B. Animals will be exhibited in pens. They don't need to be halter broke.
C. Exhibitor must identify cow and calf by ear tags, tattoos, neck cabin, etc.
D. Exact birth date of calves must be recorded, age of cow must also be known.
E. Calf must be born Jan. 1-May 1 of current year. Calves can be bull, steer or heifer.
F. Sire and dam are to be of a beef breed.
G. Exhibitor must be present at judging or premium will be forfeited.
H. Exhibitors should reserve space by registering in advance. See entry form.
I. Judging will be based on:

•Beef characteristics, conformation and soundness of cow (0-50 points)
•Adjusted weaning weight of calf. One point will be added for each 10 pounds over 450 pounds of final adjusted 205 day weight. Identical points will be subtracted for weights under 450 pounds. (Calf weights will be adjusted for age of dam and sex of calf according to Minnesota CHAPS Guidelines. In addition, calves on a pasture with creep, or dry lot creep feeding program will be adjusted down 5% and 10% respectively.

J. Cows and calves will be weighed when entering the barn.

4-H BLUE RIBBON MARKET LIVESTOCK AUCTION SALE

Friday, July 20th

Luncheon @ 12 p.m. & Auction 1 p.m.

The 4-H Blue Ribbon Auction Sale has been a long standing tradition and educational opportunity for the Roseau County 4-H youth involved in 4-H livestock projects. 4-H Blue Ribbon Auction Sales throughout Minnesota share three strong goals:

1. To recognize the commitment, work and expense involved with market animal projects.
2. To reward excellence in the commitment and work put forth by the 4-H youth and their project.
3. To give 4-H members a real life experience of selling their animal– completing the project cycle.

Banks and businesses who have not participated and may be interested in this awesome opportunity to support agricultural experiences for youth in Roseau County should contact the Roseau County Extension Office at 463-1052. At the Blue Ribbon Auction Sale the buyers can expect to have lunch on us, 4-H! While nothing fancy, 4-H volunteers and youth prepare a lunch as a way to say thank you. While eating the buyers can browse through the market sale list of animals to be sold. At 1:00 p.m. the sale begins. Thank you to Citizens State Bank for clerking the auction.

Passport to 4-H Fun Day

Thursday, July 19th, 3-5 p.m.

4-H Exhibit Hall Building

Roseau County 4-H invites youth and families to visit the 4-H Exhibit Hall on Thursday, July 19th to participate in the FREE "Passport to 4-H Fun Day". The afternoon, 3-5 p.m. will include fun hands-on experience for families of all ages. With your 4-H passport you will rotate from mini mystery stations at the Roseau County Fairgrounds . After visiting the station and completing the hands-on activities you will receive a stamp on your 4-H Passport. When you fill up your passport, you can come back the 4-H Exhibit Hall Desk for a prize. Youth grades 4 and up are welcome to participate without an adult present, but with parental permission. Younger youth must be accompanied by an adult. We hope to see you at the fair.

XTREME BALL

Back by popular demand!
Grab your friends and compete in a game of XTREME Ball! Located South of the carnival area and will be open same hours as carnival (unless no participants.)

WHAT IS XTREME BALL?
This is how it works; each person jumps into their own Xtreme Ball, wearing it like a backpack. Once inside, you are holding onto two handles in front of you, with a good grip, choose a game, and then let the fun begin!

PREPARATION OF FRUITS & VEGETABLES FOR EXHIBITION

- **Snap Beans:** Harvest before constrictions appear between seeds, when seeds are about half grown. Ends of pods should not be broken off in picking. Pods should be uniform. Pods may be wiped clean, but not washed.
- **Beets, Carrots, Parsnips, Turnips, Rutabagas:** Root crops should be mature, but not overgrown, pithy or coarse in texture. Tops should be trimmed to 1 1/2" above crown. Side roots should be trimmed off, but not the top root. Roots can be washed but not scrubbed.
- **Broccoli:** Heads should be dark and purplish green and compact. Avoid yellow flowers in head. Leave on about a 5" stem.
- **Cabbage:** Cut stem about 1/2 inch below the head. Remove blemished or broken leaves, but take care not to peel the heads too much. A few outside wrapper leaves are desirable. Specimens may be washed.
- **Cauliflower:** Heads should be white, compact and free of small leaves and ricy texture. Cut stems to leave 4 to 6 leaves. Outer leaves should be trimmed to 1 or 2 inches above the white head. Use a soft bristled brush to remove dirt.
- **Celery:** Remove roots of stalk and trim butt to form a triangle or pyramid. Trim diseased and broken leaves on the outside until green color is uniform.
- **Sweet Corn:** Select ears that are well filled out to the tip. Kernels should be milky and juicy. Remove outer husks, but allow a short shank and the inner husks to remain.
- **Cucumbers, Pickling:** 3-5 inches long. Specimens should be the same stage of maturity and uniform in size, shape and color.
- **Cucumbers, Slicing:** Select specimens that are straight and dark green; about 6-10 inches long. Specimens should be uniform in size, shape and color.
- **Leaf Lettuce:** Display plants with roots. Wrap in moist paper put in plastic bag or foil.
- **Kohlrabi:** Roots should be removed just below the ball. Remove all but the upper 4 to 6 leaves. Select specimens that are a uniform medium size and not hard or woody. Skin should be easily punctured by the thumbnail. Specimens should be clean, but not washed.
- **Onions:** Specimens should be mature and thoroughly cured. The neck should be small. Do not peel to give a slick appearance. Only outer scales that are broken or discolored should be removed. Small basal roots should be lift intact, but trimmed to a uniform length. Wipe or brush clean, but do not wash.
- **Potatoes:** Tubers should be uniform in size, shape and color. Washing is permitted, but unwashed, clean potatoes are preferred. Be careful not to blemish the skin by scrubbing. Avoid specimens with defects or disease.
- **Rhubarb:** Select specimens that are straight, uniform and unblemished. Stalks should be pulled from the plant, not cut. Trim leaf blade to 1 inch above the stalk.
- **Summer Squash:** Select small to medium size fruits when the rind is soft and easily punctured with a thumbnail. Leave about 1/2" stem and wipe fruits clean.
- **Winter Squash and Pumpkins:** Select mature specimens when the rind resists the pressure of the thumbnail. Each should be free of defects. Leave stems attached.
- **Swiss Chard:** Select plants that are fresh, crisp and have bright green leaves. Trim off roots and trim butts to a pyramid shape. Trim off diseased and broken leaves on the outside until color is uniform.
- **Tomatoes:** Select fruits that are uniform in size, shape and color. Remove stems. Fruits should be perfectly shaped and free of cracks and blemishes.

The Culinary Division has classes for Beginners, Advanced and Juniors, Anyone who has received six or more blue ribbons in years past must enter the Advanced Class.

Exhibits may be brought in no later than 8:30 a.m. Tuesday, but must be entered on Monday.

One entry per lot, per exhibitor

Rules for Canning

1. To be exhibited in clear glass jars (pint or half-pint) will accept quart jars.
2. All items must have been canned within the last 12 months.
3. No artificial color may be added to products.
4. **All exhibits passing the appearance test may be opened and tested by the judge for final placing.**
5. All containers must be labeled with a 1 ½"x2" label with the following information:

Product

_____

Time & Method of Processing

_____

Date Product was Canned

_____

All canned goods must indicate processing time and method according to most current publications from University of Minnesota Publications. Please check with the Minnesota Extension Service.

A) All low-acid products must be processed in a pressure canner. Low-acid foods have pH values higher than 4.6. They include red meats, seafood, poultry, milk, and all fresh vegetables except for most tomatoes. Most mixtures of low-acid and acid foods also have pH values above 4.6 unless enough lemon juice, citric acid, or vinegar is included to make them acid foods.

B) Acid foods have a pH of 4.6 or lower and must be processed in a boiling-water bath canner. They include fruits, pickles, sauerkraut, jams, jellies, marmalades, and fruit butters. Although tomatoes usually are considered an acid food, some are now known to have pH values slightly above 4.6. Therefore, if they are to be canned as acid foods, these products with unknown pH must be acidified to a pH of below 4.6 with lemon juice or citric acid. Properly acidified tomatoes are acid foods and can be safely processed in a boiling-water bath.

C) Jams and Jellies require 2 piece lids.

Acidification: To ensure safe acidity in whole, crushed, or juiced tomatoes, add two tablespoons of bottled lemon or lime juice or ½ teaspoon of citric acid per quart of tomatoes. For pints, use one tablespoon bottled lemon or lime juice or ¼ teaspoon citric acid. Acid can be added directly to the jars before filling with product. Add sugar to offset acid taste, if desired. Four tablespoons of vinegar with 5 percent acidity per quart may be used instead of lemon juice or citric acid. However, vinegar may cause undesirable flavor changes.
